Objective:

I am seeking to gain employment where my role revolves around game design. I am absolutely dedicated to expanding my abilities and constantly improving myself as a whole.

Employment History:

SMG Studio Sydney - Game Designer (2019 - Present)

I am currently employed at SMG Studio as a Game Designer. During this time, I have been involved in:

- Greyboxing levels for our flagship mobile title, Fast & Furious Takedown.
- Communicating ideas and specific design solutions to the whole team.
- Creating and set dressing race tracks and bespoke track pieces.
- Implementing scripted sequences using cinemachine and in-house tools.

To complete my design work to the highest quality I utilise such programs as:

- Unity, including Probuilder, Cinemachine and custom, in-house tools.
- Blender.
- Adobe Photoshop and Illustrator.
- JIRA, Trello and Google Suite.

As such, I always strive to create; fun, unique and innovative gameplay sequences that fit within the context of the game and design brief.

SMG Studio Sydney - QA Tester (2018 - 2019)

I was employed at SMG Studio Sydney as a QA Tester, for one year until moving into the role of Game Designer. During this time, I have gained experience in:

- Communication; as I was in constant communication with the entire team.
- Deployment; building test versions and supplying builds to clients.
- Production; providing detailed JIRA and Trello bug reports and helping organise student playtesters.
- Community management.

In turn, testing a variety of titles throughout the last year has provided me with invaluable skills to create successful video games. I took this job instead of going to university and I do not regret that decision.

KB Chickens North Rocks (2015 - 2018)

Before working at SMG Studio I was employed at KB Chickens North Rocks and was there for three years. During this time, I gained experience in:

- Assisting customers
- Store cash declarations and banking
- Supervising the store along with it's staff

Performing such tasks and working in a heavily customer-orientated chicken shop has greatly enhanced my interpersonal and soft skills. This was my first job and I held it during senior study and demanding sport schedules.

Skills:

- Terrific customer service, time management and communication skills
- Professional demeanor
- Proficient in; Unity, Photoshop, Illustrator, Source Tree, SmartGit, Google Docs, Google Sheets, Google Slides.
- Very capable in a team environment
- Strong mathematical ability
- Unmitigated punctuality
- Work extremely well under pressure and a strong work ethic
- Clearly and well spoken
- Can perform CPR

Achievements:

- Represented NSW and Sydney West in various Water Polo competitions (2013-2017)
- Higher School Certificate from Muirfield High School (2017)
- Achieved a Bronze Medallion from the Royal Life Saving Association (2015)
- Qualified Advanced Open Water Scuba Diver (2014)

Education:**2012 - 2017**

Muirfield High School

Higher School Certificate
